September 8, 2005—NACD has just learned that we will not be holding our meeting in New Orleans in 2006. The Sheraton will not be able to accommodate us due to the closures resulting from the clean up and recovery following Hurricane Katrina.

NACD is already working with our meeting planning company Conference Direct to find a suitable site for our meeting. Please continue to hold the date and plan on attending the 60th annual meeting. The 2006 meeting will be one of the most important and significant sessions in NACD History.

Come celebrate the 60th anniversary of NACD and be a part of the legacy! NACD will be celebrating 60 years of conservation Jan. 29 - Feb. 2, 2006 in New Orleans, La. The three-day annual meeting will be packed with dynamic speakers, informative general sessions, educational track sessions, energetic anniversary celebrations and Louisiana flavor.

This year's meeting is themed "Living a Legacy, Leaving a Legacy." As we consider the history of districts and the legacy that has been established, we must also define ways to build on that legacy and extend the reach of conservation.

On Monday, January 30, 2006, NACD will hold a celebration of its 60th anniversary. Attendees to the annual meeting in New Orleans are invited to bring conservation memorabilia such as conference pins, programs, apparel, and photographs for display during the celebration event and annual meeting. If you would like to bring such an item to share, please contact christa-jones@nacdn.net
